

Preparation for Sensitivity Testing

Please consider the following prior to your visit:

- No body lotion or hand creams.
 - No metal jewelry.
 - No perfume.
 - Be hydrated.
 - Be sure to eat something in the 2 hours prior to your appointment.
 - No more than 1 cup of coffee in the 2 hours prior to your appointment.
 - Please refrain from visiting the chiropractor, a yoga class, the gym or taking a nice long run before coming in for your sensitivity test.
-
- You do not need to discontinue supplements (herbs, vitamins, minerals, etc) before the test.
 - If there are any additional supplements or foods that you wish to be tested for, it may be possible to test them at the end of the appointment. Feel free to bring in any supplements or drugs that you are wanting tested for compatibility and we will try to include those.

Note:

- If you have a pacemaker or any electric medical device it is not recommended that you receive this testing.
- Therapeutic modalities used the same day as testing such as Chiropractic, Reiki, Acupuncture & Massage can alter the accuracy of your testing.

Cost for this test is \$140
